Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

Stop taxing everything you can lay your hands on. There already is a tax on air
time and I only use my Tracfone for emergencies. Next you'll be taxing our
rearends every time we go to the potty.

Thank you for your prompt attention to this matter. Please provide a written
response indicating the status/resolution of this matter.

Very truly yours,

Ronni Cooney
